AMENDMENT NO. 1 TO MARKETING SERVICES AGREEMENT

Google Ads Management

This Amendment No. 1 (this "Amendment") is entered into as of the date of the last signature below (the "Amendment Date") between Hutchinson & Huffman, P.A., a Florida professional association ("Client"), and Blu Sparrow, Inc., a Florida corporation ("Contractor"). It amends the Marketing Services Agreement between the Parties entered into in July 2026 (the "Agreement"). Capitalized terms not defined here have the meanings given in the Agreement. Client may accept this Amendment by signing on or before November 20, 2026.

CLIENT **Hutchinson & Huffman, P.A.** a Florida professional association Rick Hutchinson 500 S. Australian Ave., Suite 600 West Palm Beach, FL 33401 info@hutchhufflaw.com	**CONTRACTOR** **Blu Sparrow, Inc.** a Florida corporation Matt Arnold, Founder 2243 River Birch Road Gulf Breeze, FL 32563 matt@blusparrow.com

Client and Contractor are each a "Party" and together the "Parties." This Amendment adds Google Ads management to the Agreement on the terms below.

1. GOOGLE ADS MANAGEMENT ADDED

1.1 Added Service. Contractor will plan, build, launch, manage, and report on Google Search advertising for Client (the "Ads Management"), as described in Exhibit A-1. Paid advertising and advertising management are removed from the exclusions in Section 1.3 of the Agreement to the extent of the Ads Management only. All other exclusions in Section 1.3 of the Agreement remain.

1.2 Focus. The Ads Management targets a limited set of serious criminal-defense searches approved by Client: federal and white-collar defense, felony DUI and vehicular homicide, and serious state felonies. It does not target Marchman Act or Baker Act searches or first-offense DUI searches. No civil or personal-injury campaigns will be run under this Amendment.

1.3 Not Included. Meta or other paid social advertising, Google Local Services Ads, civil and personal-injury campaigns, and video advertising are not included. They may be added only by written agreement of the Parties.

1.4 Account Ownership. Contractor will open a new Google Ads account in Client's name and manage it for Client, and Client adds its own payment method to the account. Client remains the account's owner. Nothing in this Amendment gives Contractor ownership of the account, its data, or its history, and Client may take over or end Contractor's access at any time.

2. FEES

2.1 Ads Management Fee. Client shall pay Contractor $1,250.00 USD for the thirty (30) day test (the "Ads Management Fee"), in addition to the Retainer of $1,500.00 under Section 4.1 of the Agreement. During the test, Client's total payment to Contractor for the month is $2,750.00 USD.

2.2 Start. The Ads Management Fee is a one-time fee, invoiced on the Amendment Date. Contractor will then build the campaigns for Client's approval. The date the first Client-approved campaign goes live is the "Ads Start Date," and the thirty (30) day test in Section 4 runs from the Ads Start Date. Invoices are paid as provided in Section 4.2 of the Agreement.

2.3 Continuing After the Test. If the Parties agree in writing to continue the Ads Management after the test, the Ads Management Fee is $1,250.00 USD per month while it continues.

3. ADVERTISING SPEND

3.1 Paid to Google. Advertising spend is paid directly by Client to Google through the payment method on Client's Google Ads account. Contractor does not collect, hold, or mark up advertising spend and will not place its own payment method on the account. Section 4.3 of the Agreement is replaced by this Section 3.

3.2 Authorized Spend. Contractor is authorized to direct advertising spend of up to $1,250.00 USD in total during the thirty (30) day test (the "Authorized Spend") without further approval. Within the Authorized Spend, Contractor may allocate and reallocate spend among Client-approved campaigns.

3.3 Above the Limit. Contractor shall not cause advertising spend above $1,250.00 USD in total during the test, or above the daily budgets set to stay within the Authorized Spend, without Client's prior written approval. Email from Client is sufficient approval.

3.4 Lower Spend. If Contractor reasonably expects spend during the test to fall well below $1,250.00 USD because of limited search volume or platform conditions, Contractor shall notify Client and recommend an adjustment. The Ads Management Fee is not reduced by lower spend.

3.5 Estimates Are Not Promises. Click prices, search volumes, and lead estimates shared with Client are estimates based on third-party research. Actual costs depend on the market and platform.

4. 30-DAY TEST, REPORTING AND REVIEW

4.1 Test Period. The first thirty (30) days after the Ads Start Date are a test period.

4.2 Reporting. At day thirty (30), Contractor will provide Client a written report showing spend, clicks, calls, form submissions, and the actual cost per qualified call.

4.3 Tracking. Contractor will set up tracking so that each call and form is attributed to its campaign. Client's intake staff will mark each call or form as qualified or not qualified. Client will tell Contractor when a lead becomes a retained client, which may be by a short note, so that cost per retained client can be reported.

4.4 Day-30 Review. At day thirty (30), the Parties will meet and decide in writing whether to continue, adjust, or end the Ads Management.

4.5 Continuation and Termination. At the end of the test period, Contractor will pause the campaigns and the Ads Management ends, unless the Parties agree in writing to continue it. If the Parties agree to continue, either Party may end the Ads Management alone, without ending the rest of the Agreement, on thirty (30) days' written notice under Section 3.2 of the Agreement, and Client shall pay the monthly Ads Management Fee through the effective date of that notice, prorated for any partial month.

5. CONTENT APPROVAL AND COMPLIANCE

5.1 Client Approval. Section 7 of the Agreement applies to all advertising. No advertisement, headline, description, or landing page will launch without Client's written approval, and email is sufficient. Contractor will show Client the keywords it is bidding on before launch and at any time on request; Client approval of individual keywords is not required.

5.2 No Guarantee. Section 1.4 of the Agreement applies to the Ads Management. Contractor does not guarantee call volume, lead quality, case volume, revenue, or any cost per call or cost per client.

6. GENERAL

6.1 Exhibits. Exhibit A (Scope of Work) of the Agreement is supplemented by Exhibit A-1 below, and Exhibit B (Fees) of the Agreement by Exhibit B-1 below.

6.2 Nothing Else Changes. Except as stated in this Amendment, the Agreement is unchanged and remains in full effect. If this Amendment conflicts with the Agreement on the Ads Management, this Amendment controls.

6.3 Signatures. The Amendments, Counterparts and Electronic Signatures provisions in Section 14 of the Agreement apply. This Amendment takes effect on the Amendment Date.
